RESPONSE TO NOTICE TO COMPLY

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Responsive to the Notice To Comply With Requirements For Patent Applications Containing Nucleotide Sequence And/Or Amino Acid Disclosure mailed April 11, 2006 (copy provided herewith), and further to the telephone conference with the Examiner on May 17, 2006, submitted herewith is a substitute Computer Readable Form (CRF) of the Sequence Listing.

In response to the Examiner's assertion that the "computer readable form (CRF) of the sequence listing is not identical to the paper copy of the sequence listing" (Notice to Comply, page 2), Applicants have reviewed the paper copy of the Sequence Listing and the CRF (both of which were submitted on April 10, 2002) and determined that information contained therein is

identical. However, in order to expedite prosecution and pursuant to the Examiner's request, submitted herewith is a substitute CRF of the Sequence Listing. Re-entry of the substitute CRF of the Sequence Listing provided herewith is respectfully requested.

I certify that the substitute CRF of the Sequence Listing provided herewith is identical to both the CRF and paper copy of the Sequence Listing submitted on April 10, 2002. No new matter is introduced by the substitute CRF provided herewith as all information contained therein is identical to the above-referenced, previously-submitted Sequence Listing and is supported by the application as originally filed.

CONCLUSION

In view of the above remarks, it is respectfully submitted that the present application is now in condition for allowance. Accordingly, reconsideration and favorable action on all claims are respectfully requested. In the event any matters remain to be resolved in view of this communication, the Examiner is encouraged to call the undersigned so that a prompt disposition of this application can be achieved.

Respectfully submitted,
